CLAIBORNE COUNTY BOARD OF SUPERVISORS

The Claiborne County Economic Development District has developed the **Claiborne County Workforce Readiness Center**, through a partnership with Entergy, to bridge the gap between the Workforce requirements of local and regional employers and the Citizens of Claiborne County who desire to become gainfully employed and/or increase their employability skills.

The Claiborne County Workforce Readiness Center provides:

- Access to MS WORKS Jobs Recruitment Database typically featuring 40,000 jobs on recruitment in Mississippi
- Access to Hinds Community College Skills Development Programs, including MI-BEST, A.C.T. Career Readiness Exam Preparation, and Technical Skills Certification through Individual Training Accounts.
- Resume preparation assistance
- Regular networking and contacts with regional Human Resources Managers
- Access to regional public transportation services through Claiborne County Public Transit
- Individualized referral services depending upon the client's personal situation
- Claiborne County Job Fair (Governor's Job Fair Network)
